Property Ref: 15-2119

Situated within the traditional village of Letymbou and very close to the village square.

It is about a 15 minutes' drive to Paphos Town centre.

Within the plot, there are old dilapidated traditional houses, which makes this an ideal opportunity for a DIY enthusiast or for the area to be redeveloped.

The area has a high building density factor, which could permit one to develop quiet a substantial property subject to planning permission.
