Description

Situated within a popular area of Newtown, sits this beautiful TWO bedroom, semi-detached home.

On the ground floor the lounge has a feature gas fire place and sliding patio doors leading out onto the rear garden. There is a front to back galley style kitchen/diner with a door leading out into the rear garden. Also on this level is the recently refitted shower room with mixer shower.

On the first floor there are two double bedrooms with the master bedroom benefiting from fitted wardrobes.

Externally there is off road parking and gardens and a gated access to the side where the detached garage also sits. Whilst to the rear there is a patio area and a large rear garden. The property also benefits from UPVC double glazing and gas central heating through a new boiler installed in the last 12 months.

Occupying a substantial plot in the heart of Newtown, this two bedroom chalet style semi detached home is one of only a handful built to this design in this popular residential suburb with excellent access to local schools and the motorway network.

The property benefits from notable improvements in recent times with a quality central heating boiler, luxurious shower room with walk in shower as well as a distinctive living flame effect sealed open fire.

The gardens are, quite simply, a joy. To the rear they are mainly laid to lawn with raised flower and shrub borders, mature trees and patio seating areas. To front there is ample parking and a driveway leading to the detached garage.
