This deceptively spacious, Freehold, detached family residence is set in an exclusive, highly regarded location, amidst properties of a similar calibre. This thoughtfully improved, well designed home provides generous, versatile accommodation that offers excellent potential for further enlargement or alteration subject to any necessary planning permissions/building regulations.

Ideally placed for convenience, the charming and vibrant Streetly Village is just a short stroll away, offering an eclectic mix of restaurants, independent shops, and cafes. Additionally, the natural beauty of Sutton Park, with its 2,400 acres of woodland, and lakes, lies nearby, providing a perfect setting for outdoor recreation and family walks. Commuters are well served by transport links, with access to the Cross City rail line at Four Oaks station, providing direct links into Birmingham. Furthermore, the property is well-connected by road, being within a few miles of the M6 motorway and associated links, offering swift access to the Midlands motorway network.

The spacious accommodation is complemented by gas central heating and PVC double glazing (both where specified) and benefits from security alarm system for peace of mind. Entered via a welcoming reception hall with guest cloakroom/WC off, a generous rear lounge opens through to the dining room / area which in turn seamlessly connects to a bright garden / sitting room overlooking rear garden — ideal for entertaining and everyday family life. A further reception room provides a flexible space for a home office or den, and in turn flows into the property's crowning jewel — a comprehensively fitted breakfast kitchen. This superb space features a contemporary central island unit, a range of integrated appliances, and extensive storage — perfect for both informal dining and social gatherings.

To the first floor lies a large and well-planned suite of bedrooms. In total, there are four double bedrooms, each offering comfort and space. The principal bedroom benefits from fitted wardrobes, a dressing area, concealed box room, and a generously sized, well-appointed en-suite bathroom. Bedrooms two and three also enjoy en-suite facilities, while a stylish family bathroom — each fitted with white suites — completes the upper floor.

Externally, the property is set well back from the road and includes a large garage and driveway parking. To the rear, the home enjoys a generous, mature garden with a tree-lined aspect and open fields beyond, offering a delightful sense of privacy and tranquillity — a rare find in such a central location.
