TO BE SOLD: This spacious, third floor, penthouse apartment has been the subject of a high quality and innovative refurbishment throughout with reconfigurations to create ensembles to both bedrooms and a raised ceiling to the kitchen/living area and a wealth of storage including loft space. The quality kitchen units, joinery, shelf units and attractive traditional wall panelling have all been carried out by the bespoke kitchen and joinery designers, Thoroughly Wood from Kent. The appliances are generally by Gaggenau and the flooring is mostly Amtico. Both the cosy living room and kitchen seating area enjoy fire places, currently with

electric and gas fires respectively and for the better weather, bifold doors lead onto a balcony under a pitched roof. Almost as important as the apartment itself is the extremely well maintained and attractive development as a whole with well maintained and heated communal areas, well tended and landscaped gardens, covered safe parking areas and bike racks all within security fencing and gates. The long lease and share of freehold are also of great benefit. Longbridge Court is approached via Ray Park Avenue off Ray Park Road and close to Maidenhead Bridge with many close by well known restaurants and pubs and pleasant river walks. The town centre is within walking distance of the town centre and mainline railway station which now benefits from the newly opened Elizabeth line with fast trains to central London and beyond. For the motorist, the M4 M40 and M25 are easily accessible.
