"Coach House", Long Row

Halliday Homes are delighted to welcome to the market Coach House, a superb, Victorian detached villa set over two levels which sits on an elevated plot and is nestled at the foot of the Ochil Hills. Built circa 1874 and restored in the 1970s, the property is presented in pristine condition throughout and is rare to grace the market. Early viewing is advised to ensure you don't miss out.

The internal accommodation comprises of, on the ground floor: vestibule, reception hall, WC, rear porch, bedroom 2/home office, spacious lounge, dining kitchen and front porch which provides access to the utility room and badstue. On the first floor there are three double bedrooms, a family bathroom and separate shower room. Warmth is provided by gas central heating and the property has full sash and case, double glazed windows throughout. The property further benefits from an alarm system.

Externally the property has a private driveway for ample off-street parking with a stepped mature south-facing garden. The walled-in courtyard gets the sun from the south and west, so will be sure to catch the sun most of the day. There is a good sized area of lawn, a patio seating area and also a decked seating area. There are also external water and power points.
