**** No Chain**** Detached three storey modern home for sale in popular Kegworth village. Currently let, the home benefits from Article 4 status and would make an excellent investment or family home. Get in touch for more details.

Council Tax Band: D

This detached and modern 4 bedroom home is available to purchase in the burgeoning rental market. The property has 4 bedrooms, one with ensuite, an additional bathroom and a downstairs WC. There is a good sized lounge/reception room as well as a modern kitchen diner with separate utility room. Outside of the property is a brick built garage with a utility area, driveway for off-road parking and an easy to maintain rear garden. The property is located on a lovely plot with a pathway at the front leading to a large recreation ground with a dog park, basketball court, children's play ground and lots of green open space.

The home is modern and benefits from an EPC rating of C, making the bills affordable. It has an electrical safety certificate, gas safety certificate and is up to all current regs for letting. There is no work needed to relet and the maintenance outgoings for a modern house will remain low. The current owners lovingly refurbished the home throughout and the finish is high quality with contemporary décor.

The house has been let to students from the local Sutton Bonington campus of Nottingham University. It therefore has Article 4 permission and can be let to up to 6 tenants without the need for Planning permission. The current rent is £1800 per month excluding bills. The current tenants vacate at the start in December 2024, the house will then be empty so could be a good opportunity for a student parent looking to purchase in the area or indeed to a family happy to wait until the end of the year.

The property is located in the popular village of Kegworth. With excellent transport links, it is within commuting distance of Nottingham, Derby, Leicester and London, close to the M1 motorway and with regular trains to St. Pancras from East Midlands Parkway railway station. It is also conveniently located for Donington Park Motorsport Circuit and Nottingham East Midlands Airport. The village is also close to the Sutton Bonington Campus of Nottingham University.

Measurements

Ground floor

Kitchen/Diner

16'7" x 9'7"

Stunning kitchen diner, the kitchen was put in by the current owner in 2021.
