****Article 4**** Excellent opportunity to own a modern three bedroom home in popular Kegworth village. The house is currently let to 3 sharers from Sutton Bonington University and it has all necessary permissions to operate as an HMO property. The loft is ripe for conversion, so the property could be made into a 4 bedroom property with some work.

The house comprises 3 bedrooms, one with ensuite, a large loft with window and partial flooring, that could be converted, a kitchen/diner with space for a sofa, a large lounge with patio doors, bathroom, downstairs WC, easy to maintain garden and a garage with parking space.

The current tenants are under contract until July 2025. The house will then be vacant but if preferred new tenants can be found and signed up. The current owners contents, including large items of furniture, white goods and some sundry items are available by separate negotiation.

The development has a management company, the fee for maintaining the paths, verges, etc is approximately £125 every 6 months.
