About this property.....

Don't miss out on this charming GRADE II LISTED property, offered CHAIN-FREE and located in the heart of the historic RIVERSIDE VILLAGE of Aylesford! Believed to date back to the late Georgian period, with a new frontage added in the 20th century, this enchanting home—once a shop—oozes character and boasts 250 sqm of light-flooded accommodation, all presented in excellent order.

The versatile layout features a variety of rooms on each floor, allowing for different uses. For instance, the ground floor en-suite bedroom (one of four or five) could easily serve as a home office or gym, utilising the courtyard for yoga. The spacious top-floor bedroom would make an excellent games room or cinema room if you don't need it as a bedroom.

On the ground floor, you'll find a large welcoming reception area alongside a more formal sitting area on the first floor, both generously sized and rich with character features such as beams, fireplaces, and sash windows.

The property includes two separate garden areas: a quaint walled courtyard off the ground floor bedroom/home office, and a larger courtyard accessible from the kitchen. The village offers two free car parks just a short 3-minute (200m) walk away along the picturesque riverside path, providing the perfect opportunity to catch up with fellow villagers on your way home.

Situation.....

Aylesford village is a true gem that we can't help but adore! It exudes an incredible community spirit and boasts an array of historic properties. If you fancy a stroll to the local pub then our top pick is The Little Gem, a traditional alehouse dating back to the 1100s. Alternatively you can grab a pint and some pub grub at The Bush. You'll have endless options for scenic strolls, with riverside walks, countryside hikes, and The Friars, an ancient religious house with a cafe, farmers market, and tranquil gardens right on the village's edge.

Aylesford boasts a good rated primary school in the centre of the village and an outstanding rated primary just outside the village along with a secondary school in the wider Aylesford area. Shopaholics will relish the proximity of an M&S food store, Sainsbury's, and an Aldi just up the road. Commuters are well-catered too, with London-bound services (changing at Strood) from Aylesford station, while Ebbsfleet International is just 23 minutes away by car, with trains to London St. Pancras in a mere 19 minutes. Plus, both the M2 and M20 motorways are a stone's throw away. And if all that isn't enough, Maidstone's County Town is just 4 miles away, offering a plethora of retail, educational, and recreational facilities.

What the owner says.....

For over 15 years, Aylesford has been our home. I loved 83 from the moment I stepped foot inside. It is a family home where we have welcomed neighbours, friends (and in-laws!) for lazy lunches and celebrations together, BBQs and drinks in the walled garden and cocktails around the open fire in winter. In quieter moments, we have enjoyed movie nights on the top floor. The house has been ideally located for commuting to London when not working from home, days at our beach-hut in Tankerton, and the many countryside walks with fabulous views on the doorstep. Keeping fit is important to us and we have enjoyed running in the surrounding Chapel Down vineyards and along the river, not to mention personal training sessions on the rec. As keen gardeners and cooks, having an allotment in the village has allowed us additional space to grow our own produce, often enjoyed with Sarah's lamb - a local producer just a walk away. The community of fellow allotmenters are always there with handy tips, and a well stocked village shop is perfect for forgotten baking ingredients or a cold bottle of wine.
