What the owner says.....

We have always loved this location in a quiet cul-de-sac facing a green space and with our own parking. It is close to bridle paths leading to lovely walks, as well as walking distance from shops and amenities – the best of both worlds! Kings Hill, especially phase 1, has always been a friendly and safe environment for families and kids.

It has been the perfect first home for us. We will be sad to leave, but it is the right time for us and life must move on!
