About this property.....

A 3 DOUBLE BEDROOM semi detached house with the POTENTIAL FOR OFF ROAD PARKING.

Generously proportioned throughout this property offers a great space for a growing family. Downstairs, you will find a welcoming entrance hall, large living room, separate dining room and the kitchen. There is also a further useful room at the back of the house which would be great for anyone with a dog as there would be somewhere to wash off the muddy paws before coming into the house.

There are three bedrooms upstairs, all being large enough to accommodate a double bed, and a bathroom.

The rear garden is in the region of 65 feet long and faces a sunny, south westerly direction but the real bonus of this property is the scope to create off road parking at the rear from the access road behind, whilst still leaving a large enough garden for the children to play in.
