FULL DESCRIPTION

THE HOME

The property boasts flexible living arrangements, which essentially means that it comes with five well-proportioned double bedrooms, a spacious kitchen/diner, and a cosy lounge. Additionally, there is the option to transform the ground floor study and adjacent shower room into a sixth bedroom complete with an en-suite facility. The sizable double garage presents further potential to be repurposed into additional habitable space which, along with the study and shower room, could be crafted into a separate annex. This space would be ideal for creating a self-contained unit with its own kitchen, bathroom, and bedroom, perfect for accommodating extended family with a need for accessibility or privacy.

Embrace the luxury of abundant parking space on the capacious drive before stepping into the inviting entrance hall, which ceremoniously directs you to the various ground floor amenities, including the study (potential sixth bedroom), a convenient downstairs shower room, the expansive lounge, and the heart of the home, the kitchen/diner. Imagine culinary delights crafted in a kitchen/diner that radiates warmth from underfloor heating and is drenched in natural light streaming through 4 meters of sleek bi-fold doors, a grand roof lantern, dual skylights, and a charming window situated above the traditional butler-style sink. At the centre of this modern-day hearth is a commanding kitchen island featuring a generous breakfast bar, a professional five-burner gas range, and an integrated wine cooler—all designed with both function and the spirit of socialising in mind. Flanked by extensive countertops and a wealth of storage options both overhead and underneath, this

kitchen is both a chef's dream and the family's gathering spot.

Adjacent to this culinary expanse is a dining space that can easily accommodate a table set for ten, ensuring that every meal is a festive gathering. Tucked just around the corner, a cosy snug area seamlessly extends the warm ambiance of the kitchen/diner, creating the perfect nook for relaxation.

The lounge serves as a refined retreat with dual access from the hallway and kitchen/diner, featuring an inviting open fireplace and a generous bay window that floods the room with light. Across the hall, the versatile study awaits, with the tantalizing potential to transform into a sixth bedroom, while the nearby downstairs cloakroom, equipped with a shower, completes this floor with thoughtful practicality.

Ascending to the upper level, you discover five distinctive double bedrooms, each exuding its own charm.

The principal suite impresses with a dedicated dressing area that presents the potential for adding a private en-suite. The secondary bedroom boasts an existing en-suite, enhancing its appeal and convenience.

The third and fourth bedrooms are mirror images in size, offering symmetrical elegance. Bedroom five, though the most compact of the doubles, enjoys a prominent position at the front of the property. This floor is also home to a contemporary four-piece family bathroom, complete with a separate luxurious bath and a spacious walk-in shower, serving the needs of the household with style and sophistication.
