OVERVIEW

Set in a sought-after residential area of Kirby Cross, this three-bedroom, two-bathroom detached bungalow offers a superb opportunity for buyers looking to put their own stamp on a home. Requiring renovation throughout and offered with no onward chain, the property provides generous accommodation, a practical layout, and fantastic potential to modernise.

STEP INSIDE

Upon entering through the porch, you are welcomed into a central hallway that provides access to all principal rooms.

To the right, the kitchen (2.53m x 4.18m / 8'4" x 13'9") offers a well-proportioned space with scope for redesign, positioned conveniently next to the impressive living room/diner. This spacious open-plan reception area measures 6.39m x 4.26m (20'10" x 17'2"), providing an ideal footprint for a comfortable seating and dining arrangement. Sliding doors lead directly into the bright conservatory (5.10m x 2.97m / 16'9" x 9'7"), which enjoys views over the rear garden and offers additional living space perfect for relaxation or entertaining.

To the left-hand side of the property, the main bedroom measures 3.89m x 3.88m (12'9" x 12'7") and benefits from its own en-suite shower room (2.73m x 0.98m / 8'11" x 3'3"). Two further bedrooms are positioned nearby: Bedroom Two at 3.37m x 3.18m (11'1" x 10'5"), and Bedroom Three at 2.73m x 1.93m (9'7" x 6'4"), both offering flexibility for use as guest

rooms, a home office, or hobbies. Serving these rooms is the main bathroom, measuring 1.97m x 1.73m (6'6" x 5'8").

The bungalow's overall internal space extends to approximately 118 sq m (1,269 sq ft), providing an excellent footprint for renovation and reconfiguration depending on buyer requirements.

STEP OUTSIDE

To the front of the property, the bungalow enjoys an open aspect with a lawned garden and a generous driveway providing off-road parking for several vehicles. The driveway leads directly to a double garage, offering excellent storage or workshop potential. The garage also benefits from a rear access door opening into the garden, adding valuable practicality.

The rear garden is mainly laid to lawn, offering a blank canvas for landscaping or family use. A patio area sits directly behind the property, ideal for outdoor dining or seating, while the garden itself is fully enclosed, making it a safe and private space.
