EPC Band: C | Council Tax Band: C

Unfurnished 2 bedroom apartment with garage. Available to let from the start of October.

A very well presented 2 bedroom first floor apartment. The property has been redecorated and new carpets laid throughout. The dual aspect with large windows means there is an abundance of light pouring into the property. Close to local amenities and excellent public transport links very close by. The property also benefits from a garage. Available to let from the start of October. Sorry no pets.
