*This is the average speed from the provider with the fastest broadband package available at this postcode. The average speed displayed is based on the download speeds of at least 50% of customers at peak time (8pm to 10pm). Fibre/cable services at the postcode are subject to availability and may differ between properties within a postcode. Speeds can be affected by a range of technical and environmental factors. The speed at the property may be lower than that listed above. You can check the estimated speed and confirm availability to a property prior to purchasing on the broadband provider's website. Providers may increase charges. The information is provided and maintained by [Decision Technologies Limited](#).

**This is indicative only and based on a 2-person household with multiple devices and simultaneous usage. Broadband performance is affected by multiple factors including number of occupants and devices, simultaneous usage, router range etc. For more information speak to your broadband provider.
