Woodhall Spa

Woodhall Spa enjoys a beautiful wooded setting complimented by attractive Victorian and Edwardian architecture, this desirable village is not only convenient for the Cathedral City of Lincoln some 19 miles to the North West but also the traditional market town of Horncastle only 8 miles away and is regarded as the gateway to the stunning Lincolnshire Wolds. In addition, an important note is that Grantham and Newark both approx. 32 miles away there is access to the A1 and Intercity Rail Services on the East Coast mainline.

Woodhall Spa is a former spa village and is now a popular tourist resort offering a wide range of leisure facilities including two championship golf courses, Jubilee Park, Kinema In the Woods and is the home of The National Golf Centre. The village offers a good range of local amenities including two supermarkets, Post Office, pharmacy and a good number of other national, regional and local retailers. There are a number of well-regarded hotels in the village including The Golf, Petwood and Dower House, which serve a large number of tourists visiting the village and surrounding area.

Of particular historic interest locally is Coningsby RAF base where the 'Battle of Britain Memorial flight' is based, which is about 3 miles to the south of Woodhall Spa.
