A very well presented detached home in the popular Woodlands Park area of Bedford...

We are delighted to offer for sale this very well presented detached home on Crispin Drive which forms part of the Woodlands Park area of Bedford.

The spacious accommodation is over three floors and has been home to the current owners since construction in 2011.

On entrance, there is a welcoming hallway serving the reception rooms which include the beautifully fitted kitchen/diner overlooking the rear garden and providing ample space for cooking and dining with some fitted appliances and a centre island. The kitchen leads into the utility room which provides access to the rear garden.

The living room runs the full length of the property and boasts feature lighting and leads

into a recently constructed conservatory overlooking the well landscaped gardens.

On the first floor there are three bedrooms, the master suite with a fitted walk-in wardrobe and an en suite shower room, and two further bedrooms which also have fitted storage. The second floor offers two double bedrooms which share a "Jack and Jill" shower room.

Externally, the property has a larger than average, private rear garden which has been beautifully landscaped with some paving and a raised artificial lawn with lighting around the borders. The rear garden also provides side access to the larger than typical garage which has parking for two vehicles in front with an EV charging point close by.

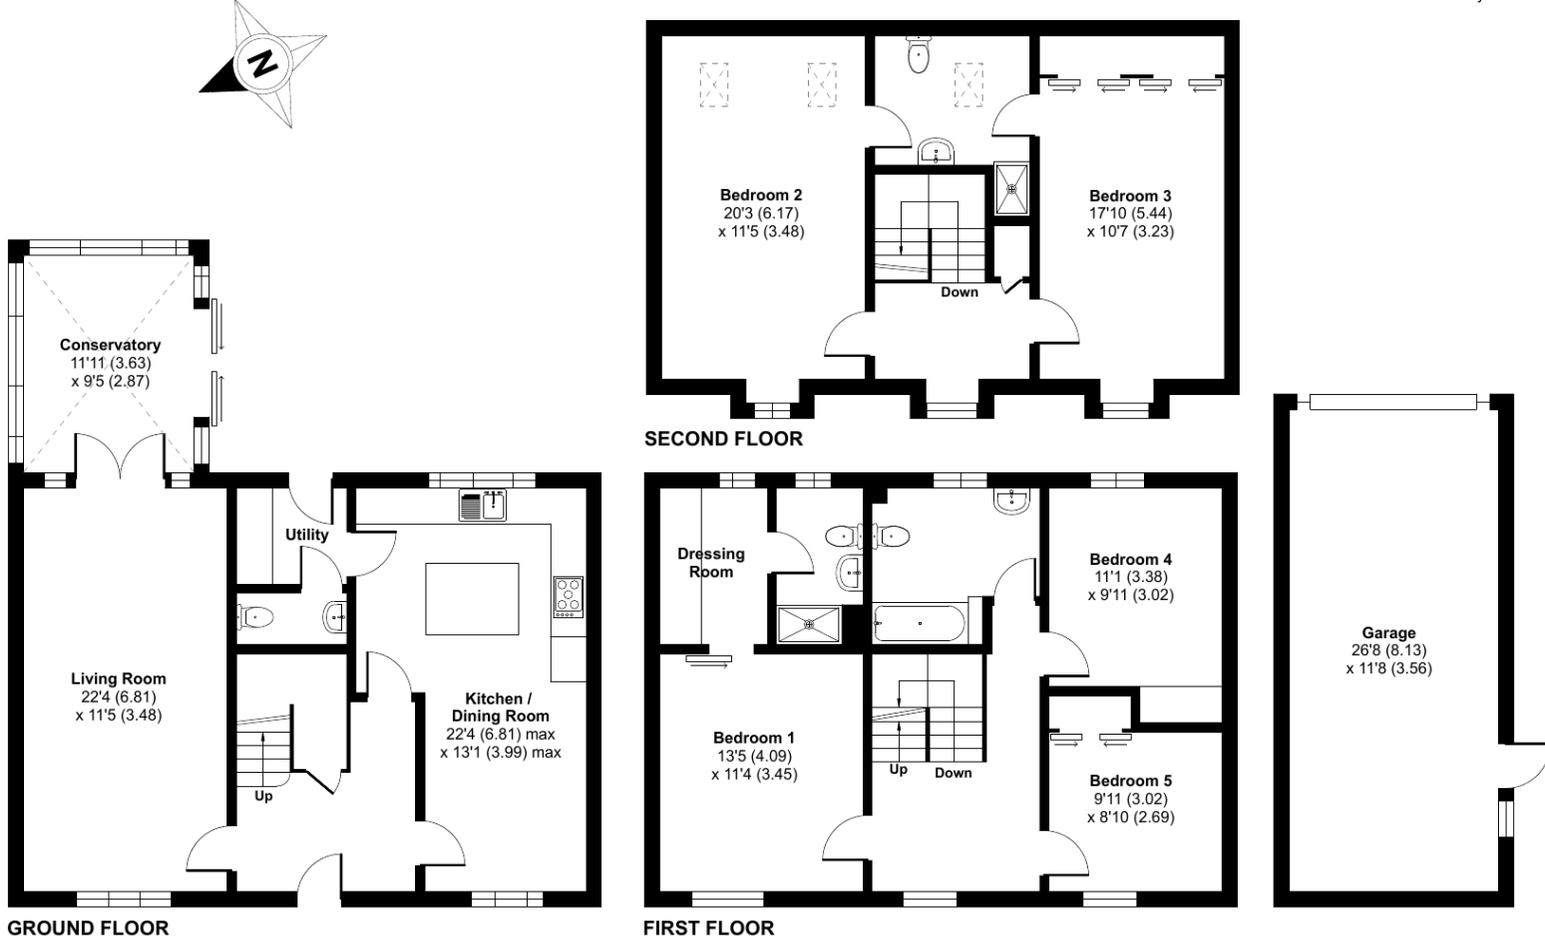

Nearby Brickhill has two popular shopping parades, local schools and recreational facilities. Bedford's town centre is located a short drive away, offering a whole host of further services and facilities including the picturesque Embankment and the mainline railway station which offers fast and frequent services to the capital.
