We are delighted to offer for sale this excellent chance to acquire a substantial detached chalet style bungalow that benefits from mature gardens and an adjoining paddock, totalling around 1.58 acres in total, subject to survey. Additional outbuildings include two garages and a carport. There is scope for redevelopment, subject to planning permission.

The property has been a family home for some fifty years and is now being sold for the first time in that period.

The interior of the property is 'of its time' and whilst it is very tidy it is envisaged that any new owner will want to carry out upgrading to their own individual tastes and requirements.

The ground floor offers an entrance hall, a large family/dining room, a separate living room with a conservatory off, a kitchen with an adjacent large utility room, two bedrooms, a shower room and a cloakroom.

On the first floor there are three bedrooms, a family bathroom with a four-piece suite and several eaves storage cupboards.

The property is fully double glazed and has full oil-fired central heating.

Externally there is so much on offer.

The property affords quite superb views over open countryside all around and out towards The Bedfordshire Golf Club and is well positioned for access to nearby Bedford and Milton Keynes.

Although the property is set in a rural location, Bedford's town centre amenities and the mainline railway station are only around four miles away. The mainline railway station offers fast and frequent services to the capital and beyond. The closest small supermarket, the Welcome Co-op in Bromham, is less than a mile and a half away as is the nearest Public House. Further secondary shopping is also available in Bromham as is Bromham Primary School.

Bedford offers a wide variety of facilities, with a good choice of private and state schooling which includes that of the Harpur Trust. The town centre offers numerous restaurants, services and recreational opportunities. Further afield, Milton Keynes offers many additional facilities. Stagsden is also well positioned for the A421, for those wishing to access the A1 & M1.
