Located within the heart of Bedford's town centre...

We are pleased to offer for sale this Victorian four bedroom semi-detached town house which is located within the heart of Bedford's town centre.

This well-established property comprises an entrance hall and a spacious living/dining room which flows through to the modern kitchen at the rear. The kitchen has been fitted with modern Shaker style units, a Butler sink and contrasting wooden worktops. From here, there is access to the cellar on the lower ground floor which offers excellent storage space and also has power and light.

The first floor is home to bedrooms one and two which are spacious double rooms that have the benefit of built in wardrobes. There is also the family bathroom which has been smartly tiled throughout and provides a space

for the washing machine within a storage cupboard. There is a separate WC adjacent to the bathroom.

On the top floor there is a landing and two further double bedrooms which have full height ceilings. Further advantages include smart sockets and plugs throughout the house, PVCu double glazed windows and gas fired central heating.

Outside the walled rear garden has been very well maintained and is larger than to be expected for a property located within the town centre. It includes a patio, a small decked area and a good size lawn. Parking is available by permit on the street to the front.

Bedford's town centre facilities include the Embankment and the recently completed Riverside development which offers a variety of restaurants including national names and local independents and also a cinema. Bedford's mainline station is also within walking distance for fast and frequent services to the capital and beyond.
