An end of terrace home with no onward chain...

This two bedroom end of terrace home is an ideal purchase for a first time buyer looking to take a step onto the property ladder, or as an addition to a rental portfolio.

On the ground floor there is a good size living/dining room with wooden flooring and a creative seating area under the stairs. The kitchen/breakfast room is located to the rear which is fitted with an array of units and offers a breakfast bar. Upstairs there is a stylish fitted family bathroom which serves both of the bedrooms.

Outside there is a driveway to the side of the house that can accommodate up to three vehicles. The driveway leads through double gates into the rear garden where there is a covered patio, a lawn and a useful log cabin which has power and light. The cabin has two sides, one of which could be used to work from home whilst the other offers storage space.

Further advantages include gas fired central heating and double glazed windows.

The house is within walking distance of Kempston's amenities which include varying shops, services and schools. Bedford's town centre is within easy reach for further facilities and the mainline railway station.
