Lane & Holmes are delighted to present this exceptional four-bedroom link-detached family home, offering almost 1,600 sq. ft. of versatile and stylish living space in a highly sought-after residential location.

The property has been meticulously extended and finished, creating a home ready to enjoy from the moment you move in.

The ground floor features a stunning refitted Symphony kitchen/breakfast room, thoughtfully designed with a comprehensive range of Neff appliances, including an induction hob, full-length fridge and freezer, granite worktops, twin ovens with warming drawer, integrated dishwasher, and a boiling water tap.

A spacious living/dining room creates the perfect hub for family life and entertaining alike, complete with a feature fireplace and bi-fold doors opening directly onto the garden. Additional ground floor accommodation includes a light-filled family room, a practical utility room, a modern refitted shower room, and the converted former garage is currently used as a gym but could easily be an office or playroom. A portion of the garage remains, providing valuable storage with an electric Crocodile roller door for convenience.

Upstairs, the property offers four well-proportioned bedrooms. The principal bedroom benefits from a walk-in wardrobe, while three further bedrooms provide excellent flexibility for family, guests, or home working, all served by a contemporary family bathroom.

Outside, the beautifully maintained, low maintenance rear garden with artificial grass is both private and enclosed - ideal for outdoor dining, entertaining, or simply relaxing. To the front, a smart block-paved driveway provides generous off-road parking.
