Lane and Holmes are delighted to offer for sale this substantial property which is located on Clarendon Street in Bedford a short walk from town and the mainline train station.

The property has previously been used in a commercial capacity for a number of years and we understand that it was granted C1 use in 1993, but in 2022 consent was granted for change of use for a residential dwelling.

The accommodation occupies two floors and totals almost 2,400 sq ft, and includes an entrance hall accessed via a storm porch and a ground floor shower room. There are three reception rooms all accessed from a large inner hallway, and the property also benefits from a fitted kitchen breakfast room to the rear. There is also a further cloakroom and a store cupboard/office.

The first floor provides a total of five bedrooms and a pair of shower rooms and further benefits of the property include double glazing and gas central heating and it is available with no onward chain.

To the outside there is a gated driveway providing off road parking for numerous vehicles at the side and there is a lawned garden which is not overlooked from the rear.

Clarendon Street is located on the edge of the ever popular Prime Ministers area, which offers easy access to both Bedford town, and its mainline train station.

The town centres amenities are numerous and include many shops, restaurants and cafes – both independent and those of major chains. Fast and frequent services run from the mainline railway station to the capital and beyond.
