KERVES BARN

Kerves Barn is an attractive barn conversion, offering well-presented accommodation which is mainly arranged on the ground floor. It provides generous living space, with a spectacular vaulted dining room following through to the sitting room, offering dual aspect views and a fireplace fitted with a woodburning stove. A glazed door leads through to the garden room providing a wonderful additional space. The garden room and the sitting room both have French doors opening to the sheltered south-facing courtyard garden, creating a lovely spot to eat or entertain outdoors.

There are two bedrooms and a shower room situated in the south wing of the ground floor; the kitchen/breakfast room lies in the north wing, served by a utility room, beyond which lies bedroom four, which is currently used as a study.

Beautiful turned stairs with a galleried landing lead to the principal bedroom on the first floor with a dressing area and an en suite bathroom. In addition to the pretty courtyard garden, Kerves Barn has an enclosed east-facing garden, which is mainly laid to lawn.

ANNEXE AND GARAGING/ POTENTIAL OFFICE SPACE (stpp)

The large detached outbuilding provides garaging, storage and ancillary accommodation comprising living room, bedroom, kitchen, shower room and separate WC, and has the benefit of its own section of garden. This space also has the potential to convert to dedicated office space (stpp).

PLEASE NOTE: The property is currently undergoing some modifications to fences and driveways etc. whilst the Barn is formally separated from an adjacent property and this work will be done prior to completion of any sale.
