

Fay Road, Horsham, West Sussex, RH12 2LG

Tucked away within one of Horsham's most desirable and rarely available cul-de-sacs, this charming two-bedroom detached bungalow presents a wonderful opportunity for buyers seeking peace, convenience, and potential. Properties in this quiet enclave of well-kept homes seldom become available, making this a particularly special offering. The location is superb - within easy reach of Horsham Park, the mainline station, and the vibrant town centre - yet enjoying a tranquil and leafy setting. This much-loved home, owned by the same family for many years, is now being offered to the market with no onward chain, providing a seamless move for its new owners.

The accommodation is arranged across a single level, with a welcoming hallway giving access to most rooms. To the front, a generous living room enjoys a sunny south-east aspect with a large window filling the room with natural light, while a separate dining area with French doors flows through to a full-width conservatory, creating a versatile and light-filled space ideal for entertaining or relaxing. The conservatory also links to a useful guest WC and is partly fitted as a utility space with room for appliances. The kitchen offers plenty of storage and workspace, and both bedrooms are comfortable doubles, each with built-in wardrobes. The family shower room has been adapted with a spacious double tray enclosure.

Well maintained but ready for updating, the property offers scope for buyers to modernise to their own taste, with further potential to modernise, extend or even convert the loft space, as many neighbouring homes have done, to create a larger family residence. Outside, the front driveway provides parking for two cars with the option to increase capacity if required, alongside an attached single garage for added practicality.

The rear garden is a real highlight - beautifully mature and exceptionally private. A large patio offers an ideal spot for summer gatherings, leading onto an expansive lawn surrounded by established trees and planting that create a secluded and tranquil retreat.
