

Spanning an impressive 5017 sqft and set in the charming village of Chalton, Bedfordshire this characterful barn conversion at Common Farm presents a unique opportunity for those seeking a spacious and versatile home. With up to six reception rooms, six bedrooms, and six bathrooms, this property is designed to accommodate both family living and the demands of modern life.

The location is particularly advantageous, with excellent access to the M1 junctions 11a and 12, as well as nearby Leagrave and Harlington train stations, which offer fast and frequent services to London. Surrounded by picturesque open fields and delightful countryside walks, this property also boasts its own paddock space, allowing you to enjoy the tranquility of rural living right within your own grounds.

This property is not just a home; it is a lifestyle choice that combines comfort, space, and the potential for business or extended family living in a serene setting. The only way to fully appreciate this unique home is to book your viewing without delay.

The expansive grounds offer ample parking, making it ideal for multi-generational living or for those who wish to run a business from home. A self-contained two-bedroom annexe provides additional living space, which could easily be converted to further enhance the main dwelling.

For those with professional needs, a detached secondary barn offers a perfect solution for office space, accommodating staff and providing a productive environment. This barn also holds the potential for conversion into another annexe, adding even more flexibility to the property.

Bedroom

Double glazed window to the side aspect. Fitted carpet. Radiator. Inset spot lights to the ceiling.

Detached Secondary Barn

Currently being used as work space this single story and fully detached building could easily be converted (subject to consent) to provide a self contained annexe for those requiring a property that offers multi generational living. The main work space area could be easily divided to provide living room and a bedroom. Whilst the other areas of the barn already provide a fitted kitchen and cloakroom (with plumbing installed to fit a shower enclosure). Bradshaws have seen the rise in demand for properties that offer potential for multigenerational living and this is one of the best examples we've seen.

Entrance Lobby

Hardwood stable style door to the side aspect. Tiled floor. Radiator. Wall mounted boiler. Inset spot lights to the ceiling.

Work Space / Living Space

Four feature picture windows to the side aspect. Feature vaulted ceiling with exposed timber trusses. Four sky lights to the ceiling. Tiled floor. Two radiators.

Storage Room

Could be converted to provide a larger kitchen area. Hardwood stable style door to the side aspect. Tiled floor. Radiator.

Cloakroom

Fitted to comprise a w/c. Wash hand basin. Part tiled walls. Tiled floor. Heated towel rail. Inset spot lights to the ceiling. Extractor. Space and plumbing to install a shower enclosure

Principal Grounds and Gardens

The property occupies enviable grounds comprise a formal garden, areas laid to gravel and decorative slate chippings. They include a water feature, outside lighting, a cold water tap, and a power point. The rest of the plot is mainly laid to lawn/meadow with a variety of mature trees and shrubs. There is a brick built open fronted store/shed. A shared driveway leads to gated access to gravelled off road parking, with another gated access to a further parking area and the paddock area beyond. It is Bradshaws opinion that the paddock and meadow area could provide potential for those requiring equestrian facilities (subject to consent).
