

With NO UPWARD CHAIN an immensely attractive traditional residence that retains much of its character features as well as being situated well back from the roadside with electric gated off road parking. The generous accommodation spreads over three floors and boasts a welcoming entrance hall with two good reception rooms, breakfast kitchen, utility, downstairs WC and wonderful garden room to the ground floor. On the first floor are two double bedrooms as well as the stunning master suite with dressing area and bathroom en suite and the family bathroom to complete the picture. A substantial roof space has been converted which has created a further two bedrooms and family shower room. Outside has a tidy and peaceful garden to the rear benefiting from seating areas and a 'Garden Office' which is perfect for those who work from home. We highly urge interested parties to undertake their inspection as soon as possible to avoid disappointment.

What the vendor thinks...
