

Kilncroft Barn Bank Lane, North Rode, CW12 2PJ

** APPROX 2400 ST FT IN TOTAL ** Kilncroft is one of just four units that make up this highly commendable Bank Farm project, and has already attained an understandable reputation for being one of the premier schemes of its type in the area. The idyllic location is an absolute delight with attractive views over open countryside and a beautiful landscaped courtyard whilst on the inside, the attention to detail and quality really is a credit. In addition to that, the property is to be sold with its own paddock which extends to approximately just under 3 acres. The accommodation has the benefit of hardwood timber framed sealed unit double glazing as well as LPG central heating and remarkably for a dwelling of this nature, has a large numbers of windows allowing ample natural light to flood in. There are many quality touches such as the oak internal doors and oak skirtings. In brief; dining hall, cloakroom, lounge, fitted kitchen with fabulous granite worktops, utility, snug and games room. To the first floor are five bedrooms (master with en-suite and walk-in wardrobe and second bedroom with shower room and computer room). Private lawned garden and driveway offering ample off road parking. A clever adaptation of the original garages has created an area of garden storage together with a substantial Games/Family Room that works extremely well but equally, a conversion back to a Garage, if preferred, would not be a major undertaking. Additional land is situated a few yards away, to the north-west of the dwelling, and comprises an area of grazing with mains water supply, which extends to approximately just under 3 acres.
