**17 St. Stephens Cottages, Stanley Road, Tunbridge Wells, TN1 2RN**

Situated in a tucked away location in the town centre you would never know these cottages exist! This charming period cottage has been tastefully decorated in a style in keeping with the age of the property but with the advantage of triple glazing fitted throughout as well as a combination boiler. The living room has a working log burner fitted which practically heats the whole house! There is a kitchen/dining room with plenty of storage and all the usual appliances. The bathroom is also modern, and although downstairs this means you have two excellent sized double bedrooms upstairs. There is the ability to extend above the bathroom thus creating an upstairs bathroom if desired, as the previous owners sought pre-planning advice. Externally there are low maintenance gardens and a lovely aspect. We have no hesitation in recommending a viewing.

**SITUATION:**

Stanley Road is a popular residential location sitting well between the town's two main line railway stations - Tunbridge Wells and High Brooms both being less than one mile away. There is especially good access to the town centre along Camden Road where one can find the majority of independent retailers and restaurants in the town – an area that is pleasingly quirky. Beyond this, the town centre itself is some five minutes walk with a selection of multiple retailers at the Royal Victoria Place Shopping Centre and nearby Calverley Road, alongside a further group of independent retailers, restaurants and bars between Mount Pleasant and the Pantiles. Other advantages of the area are the recently refurbished Grosvenor and Hilbert Park with its sports pitches, play areas and ancient woodlands, as well as easy access to the nearby North Farm Retail Estate and a host of highly regarded schools both at primary, secondary, independent and grammar levels.
