Flat 3, 44 Mount Sion, Tunbridge Wells, TN1 1TJ

Situated in the 'Village' area of Tunbridge Wells and with a design and quirkiness very much befitting its age, a one/two bedroom first floor apartment in this period building. The property is of an especially individual design and has a large principal bedroom with an occasional bedroom/study/nursery running off of it. The property has a good sized kitchen with a generous breakfast bar area, a bathroom and a large principal lounge which is dual aspect in design and has particularly good space for both lounge furniture and for entertaining. The property is situated on Mount Sion with views of the Grove Park from the front and close to many of Tunbridge Wells' most popular areas including the Old High Street, Chapel Place and The Pantiles. Beyond this, it is proximate to the mainline railway station and - most unusual in this area - has private off road parking in an adjacent private lane. Properties in the 'Village' area have always proven popular most especially when they have private parking and to this end we would encourage all interested parties to make an immediate appointment to view.
