1 William Street, Tunbridge Wells, TN4 9RT

A beautifully presented and deceptively spacious two-bedroom semi-detached home, situated in the highly desirable St Johns area of Tunbridge Wells. Offering a seamless blend of character and modern convenience, this charming property also boasts off-road parking, gas central heating, and a stunning detached studio complete with its own wet room and underfloor heating-perfect for guest accommodation or home working.

On the ground floor, the property welcomes you with a spacious and elegant living room featuring a bay window, a attractive feature fireplace, and stylish wood flooring. White wooden shutters frame the windows, allowing for an abundance of natural light while offering privacy and a touch of classic charm. Adjacent to this, the dining room also benefits from wood flooring, a second period fireplace, and two under-stairs storage cupboards-creating a warm and practical space ideal for entertaining or family dining. The kitchen is well-equipped with a generous range of wall and base units and integrated appliances, flowing naturally into a useful utility area with a separate WC. From here, access is provided to the private courtyard and parking area to the side of the property.

Upstairs, the first floor continues to impress with a large principal bedroom, bathed in natural light from a second bay window. This spacious retreat also features a beautiful period fireplace and built-in wardrobes for added convenience. A second double bedroom provides ample space for family or guests, while the family bathroom is fitted with a contemporary white suite including a bath with shower over. A particularly unique feature is the integrated, remote-controlled sound system-offering an unexpectedly luxurious touch.

Adding further value and versatility is the detached studio, located just beyond the utility area. This well-designed and immaculately finished space includes tiled flooring with underfloor heating and a modern wet room complete with shower and WC. Whether used as guest accommodation, a home office, or creative studio, this additional building enhances the lifestyle potential of the home significantly.

Externally, the property offers low-maintenance patio areas to both the front and side, with ample room for outdoor seating or container gardening. The courtyard area also serves as off-road parking and is soon to benefit from secure gates, creating a private and protected space for one vehicle, with additional room for a second if desired.

It is well placed to take advantage of the local facilities which include 2 metro style supermarkets, a number of independent retailers and popular pubs/restaurants. Beyond this many of Tunbridge Wells most popular schools are within a modest walk. Tunbridge Wells itself is a little under a mile away and offers a far wider range of social, retail and educational facilities including a number of sports and social clubs, 2 theatres, a host of independent retailers principally between The Pantiles and Mount Pleasant with a further range of multiple retailers in the Royal Victoria Place and adjacent Calverley Park precinct. The town has 2 mainline railway stations both of which, again, are accessible from the property. Properties in this location have traditionally proved to be extremely popular and to this end we would encourage all interested parties to make an immediate appointment to view.
