Set within the highly sought-after village of Rusthall, just under two miles west of the historic and vibrant Spa town of Royal Tunbridge Wells, 2 The Willows represents the finest in contemporary countryside living. This elegant three-bedroom detached home is part of a boutique development of only four individually designed properties by Cubed Homes – renowned for their meticulous attention to detail, exceptional build quality, and refined specification.

This stunning residence combines classical architectural charm with modern design features, creating an ideal space for families and discerning buyers. With matured landscaped gardens, a garage with remote electric door, and additional private parking, the property offers a tranquil yet connected lifestyle in an enviable setting.

The heart of the home is a generously proportioned kitchen/breakfast room, fitted with sleek Crown Imperial Furore units, solid quartz worktops, and an extensive range of integrated Neff appliances. French doors open to a sandstone patio and the garden beyond, perfect for entertaining or enjoying peaceful outdoor moments. A separate utility room provides practical storage and laundry space with matching cabinetry and a stainless steel sink.

Throughout the ground floor, porcelain floor tiles create a seamless flow between the kitchen, utility, hallway, and cloakroom. The spacious living room is a warm and inviting retreat, featuring a bespoke oak fire surround with granite hearth and a chimney flue ready for the installation of a wood-burning stove.

Upstairs, the principal bedroom is complemented by a luxurious en-suite, alongside two further well-appointed bedrooms and a stylish family bathroom – each benefitting from high-quality white sanitaryware by Twyford, chrome fittings, heated towel rails, mirrored cabinetry, and elegant ceramic wall and floor tiling.

Modern conveniences are woven into the fabric of the home, with underfloor heating to the ground floor, thermostatically controlled radiators above, energy-efficient gas-fired central heating, and a pressurised hot water system. LED downlighting enhances the kitchen, utility, hallway, and bathrooms, while multimedia connectivity is catered for with TV, satellite and data points throughout.

Peace of mind is provided by wiring for an alarm system, a composite front door, high-performance double glazing, mains-fed smoke and heat detectors, and external lighting to all access points. Finishing touches such as high-quality oak veneered internal doors, a handcrafted staircase with oak handrail, and handmade clay hanging tiles reflect the exceptional craftsmanship throughout.

Externally, the property enjoys a lawn and patio garden enclosed by timber fencing, a paved driveway with conservation kerbs, and a beautifully crafted Indian sandstone patio, creating a seamless blend of indoor and outdoor living.

Rusthall itself offers a strong sense of community, with a range of local amenities including shops, a post office, butcher, baker, greengrocer, doctor's surgery, library and more – all just a short walk away. Families will appreciate the proximity to local parks, woodlands and nature trails, as well as excellent local schooling and dedicated school bus services.

For commuters, a regular bus service connects the village to Tunbridge Wells Station, with fast rail links into London.
