As you enter through your own private front entrance we feel sure you cannot fail to be impressed by the high ceilings and space offered throughout this two bedroom apartment arranged over the ground and lower ground floors of this impressive Victorian Villa. The property itself offers a wide range of features which include a large reception/dining hall - large enough to accommodate a family sized table and seating - the sitting room located at the rear has high ceilings, a large bay window and feature open fireplace with a similar proportioned room forming the main bedroom situated at the front, also having a large bay window, high ceilings and a focal point fireplace. The kitchen has a range of wall and base units with some fitted appliances, and a cloakroom is situated close to the rear entrance providing your own direct access to the rear gardens. Stairs from the reception dining hall lead down to the lower ground floor hallway which has the unusual feature of direct access through a door into two large storage rooms. Also on the lower ground floor level is a generous second bedroom and a separate shower room. Externally the property is surrounded by well tended gardens with parking provided on a gravelled driveway, with this particular apartment having the benefit of its own large, attached garage. Heating is provided via a gas central heating system with radiators and double glazing helps keep both maintenance and fuel bills to a minimum. This home is one of only four within this Victorian Villa and benefits from a share of freehold. With both the demand and experience for this particular location and period style homes, we have no hesitation in recommending you view without delay.
