For Sale is a development opportunity which comprises of two existing buildings, an occupied five double bedroom three storey farmhouse, with then a barn conversion ready for renovation, whilst to the rear of the site there is planning permission for six modern three and two storey townhouses on a site which measures 0.71 acres.

The main residence at the front of the site measures an impressive 2,500 square feet excluding the two cellars and has a layout of hall, lounge, dining room, kitchen, utility and shower room with a rear porch at ground floor. Four double first floor bedrooms with four piece bathroom, whilst bedroom five combines with a loft room which spans the full width of the property and excellent further potential.

The barn conversion is very exciting with a ground floor total of 118 meters squared, at first floor 62 metres squared giving a total gross internal total area of 180 metres squared (around 1,936 square feet).

The proposed layout for the barn has a living room, kitchen diner, central hallway, separate inner hallway leading to a study/snug with a utility and shower room. At first floor there are three bedrooms, the master being en-suite and a separate family bathroom.

The six new build dwellings are of different designs, the central building of each in the block of three is larger having space and accommodation over the passageway.

Plot two has a ground floor of 44 metres squares and a first floor of 61 metres squared giving a total of 105 metres squared.

Plot three has a ground floor of 46 metres squared, 57 metres squared at first floor and 32 metres squared at second floor, total gross internal area of 135 metres squared.

Plot four has a ground floor of 46 metres squared, first floor is 46 metres squared and a second floor of 23 metres squared giving a total gross internal floor area of 115 metres squared.

Plot five has a ground floor of 44 metres squared, first floor of 61 metres squared, a total of 105 metres squared.

Plot six has a ground floor of 46 metres squared, a first floor of 57 metres squared and a second floor of 32 metres squared giving a total gross internal area of 135 metres squared.

Plot seven has a ground floor of 46 metres squared, a first floor of 46 metres squared and a second floor of 23 metres squared giving a total gross internal area of 115 metres squared.

All of these properties are three bedroomed.

Drawings and full information of the planning permission can be found via North West Leicestershire council planning website and the planning reference is 23/00647/FUL.
