This beautiful and extended detached home is simply unrecognisable from its beginnings. The instantly appealing property offers soft-tone render and flush casement windows which gives a clue to the quality and finishes internally.

Offering highly deceptive accommodation including a double garage and two separate driveways with enough parking for 6 to 8 cars as well as potential for a caravan or motorhome etc.

In our view the property would make a great home for the downsizing couple where space for the visiting family is still important, yet without the ongoing maintenance required of a larger home.

The well considered design and layout sees bedrooms on both the ground and first floor with the master bedroom suite enjoying an ensuite shower room and walk-in style wardrobe along with French doors leading out onto the garden patio, just ideal for that morning cup of tea!

The living dining room spans over eight metres and features a roaring cast-iron log burner, quality solid oak doors and skirtings, room for a dining table and sofa arrangement and with the lounge area having a contemporary media wall.

The good size stylish kitchen has integrated appliances including dishwasher, built-in twin electric ovens, four ring induction hob, extractor and a quality porcelain sink. The handy utility room off the kitchen, is sensibly positioned with door leading out into a side entry and access to the rear of the double garage where this offers easy access for a chest freezer, etc.

In addition to the ground floor master bedroom suite, there are two first floor double bedrooms, one having a bedroom living area ideal for the teenager or guest suite, and these rooms are served by a central modern family bathroom with over bath shower and glass shower screen .

The property occupies the central section of Park Lane within walking distance to the well regarded village primary school, country walks around the corner and the village has two country pubs, shop and a community run Post Office.

There are two block paved driveways, the front offering four car parking whilst the driveway to the rear would be great for a caravan or motorhome or another 3 to 4 spaces and leading to a double garage with twin opening doors, light power and rear pedestrian door.

The landscaped garden is private and fully enclosed, situated to the side of the property and enjoying a porcelain tiled patio, artificial lawn and timber built log store with adjacent dog kennel.

Good to know; the property has uPVC double glazing throughout. Gas central heating powered by a combination boiler located in the ground floor W.C.
