- EPC rating C

There are several different designs within the complex of two bedroom apartments and this one is of special note having two double bedrooms. but also the first floor of only two storeys (one ground floor apartment below it) with no residence above. The communal entrance is less used, serving just these and the parking space is directly opposite the entrance. The property has also been professionally redecorated.

Ideal for the first time buyer, professional or perhaps investor thinking of the proximity of Sutton Bonington University, flight crew for East Midlands etc particularly when bearing in mind the size of the second bedroom.

Initially on entry, the hallway has a wall mounted security entry phone and alarm panel and a cupboard which discreetly houses a modern electric circuit breaker and is equipped with shelving and the water meter.

The 'L' shaped living, kitchen diner faces east west, so the Juliet balcony gets the morning sunshine and of the evening it will be the lounge section with the kitchen. The kitchen itself has an AEG electric oven and Hotpoint induction hob with stainless steel splashback and extractor hood. There is a range of base and eye level units, plumbing for both washing machine and dishwasher and space for a fridge freezer. The gas central heating boiler equipped with pressurised unit to boost the pressure of the refitted shower room.

Two modern radiators serve the lounge diner and there are multiple electrical sockets including a bank of aerial connections.

The main bedroom faces east and has a built in double wardrobe with two mirrored doors. Bedroom two is a second double and has three double electrical sockets and has the same orientation.

The shower room has a mains shower, wash hand basin and low level wc, all elements are fully tiled, electric shaver point, extractor fan and ladder design centrally heated towel rail.

The complex is well regarded and is within easy walking distance of village centre amenities, single allocated parking space as previously mentioned and is for sale with no upward chain and is stamp duty exempt for non-investors.

To find the property, from East Leake village centre proceed along the main street towards the church, turn right on to Station Road, take the next turning left into Walnut Gardens, follow the road along where 57 is in the block furthest east within the development (next to the care home).
