A superb three double bedroom period semi detached family home affording substantially extended living accommodation which has been considerably improved by our vendor and which we feel sure will please even the most discerning of buyers. The property is double glazed, warmed by gas central heating and rooms include a hall, a good size lounge and a separate sitting room leads to the fantastic family living dining kitchen area with bi-folds onto the rear garden. A spindled staircase from the hall leads to the first floor where the three excellent double bedrooms and superb bathroom and shower area will be found. A very noteworthy feature of the property is the foldaway landing ladder which leads to a loft area which can be used for storage or as an occasional study/office area.

There is also a very useful outbuilding which has a storage area and the rear of it is currently being used as a fitness area. The enclosed south easterly facing rear garden with lawn and decking complete this amazing family home. Langdale Road is convenient for local amenities catering for most of the everyday wants and needs including shops, bars, restaurants, cafes and schools. A short walk away is the Meadows, a much loved green space in Heaton Chapel, which connects to Highfield Country Park and the Fallowfield Loop. For the commuter Heaton Chapel train station is just a 0.4 mile walk away and operates into both Stockport and Manchester centres, buses also run frequently along the A6. Freehold and council tax band D. No chain involved!
