GENERAL COMMENTS

Bills Barn is a detached two storey property which was built in 2007 although it has the distinct appearance of a traditional barn conversion. This attractive three double bedroom house also boasts an attached one bedroom annexe, perfect for a dependent relative or great potential for letting. The accommodation is light and spacious throughout with large windows many of which enjoy views over the surrounding countryside.

The landscaped gardens to the front of the house are stunning whilst also offering parking for several cars as well as a garage. To the rear of the property lies a small orchard with timber summerhouse and decked veranda.

Situated in a rural part of central Cornwall yet close to several villages which offer excellent amenities as well as primary and secondary schools, the location is not only beautiful but very convenient.

LOCATION

The picturesque village of Coombe (often described as a hamlet) is in fact a friendly community tucked away in a pretty valley setting about 5 miles from St Austell and 11 miles from Truro. Coombe is almost undiscovered and unspoilt from over development due to the geography of the valley. The village has an active programme of events sponsored through the local Community Playing Field where there are also Tennis Courts for local use.

Coombe is close to the nearby villages of Grampound, Grampound Road, Probus and Sticker. All of which provide various stores, doctors surgeries, public houses and primary schools. Whilst secondary schools lie either in Truro or St. Austell as well as the Roseland School in Tregony and Brannel School at St. Stephen. The property lies in the heart of central Cornwall, equal distant of both north and south coasts and access onto the A30 is also very convenient.
