GENERAL COMMENTS

55 Park View is an end of terraced modern house which is situated in a tucked away residential cul-de-sac in a sought after part of the city. The property is one of a small group of houses and bungalows set in a pedestrianised cul-de-sac with garages grouped at the entrance to minimise disturbance. No. 55 is much larger than first apparent with gas central heating as well as double glazed windows and an extension to the kitchen as well as an updated shower room. The property offers well proportioned accommodation which includes an open plan sitting room and dining room with french doors opening onto the garden and with the kitchen positioned off the dining room. To the first floor there are two double bedrooms both with large built-in wardrobes as well as a single bedroom and bathroom. To the front of the property there are communal gardens which are maintained throughout the year whilst to the rear of the property there is an enclosed courtyard garden which is south facing and is geared to easy maintenance. The property is offered with a single garage and there is parking for further vehicles but on a first come first served basis. The property is sold with no chain and vacant possession.
