GENERAL COMMENTS

Silver Springs is a large detached period house located within Scarcewater, a tiny hamlet on the outskirts of Grampound Road with excellent road links to the A30, Truro, St Austell and both coasts. The property comprises a sizeable house, four stables, and approximately three acres of land. The house has been greatly improved during our clients ownership and is beautifully presented throughout with light and spacious rooms. The accommodation includes four double bedrooms, two have en suite shower rooms, four reception rooms, kitchen, utility, bathroom and sun room. There are fabulous far reaching rural views from the rear over the surrounding countryside. The kitchen has been replaced within the last year and all of the windows have replacement double glazing. The rear garden is enclosed, backs onto fields and enjoys a sunny aspect. There are four stables and tack room so perfect for equestrian use but together with the garage this building has potential for conversion into an annexe or possibly holiday lets subject to consent. The land is across a farm lane from the house and was purchased separately some years ago. and so is on a separate title. There is approximately three acres included in the sale. The vendors are retaining approximately four acres, sand school and further agricultural shed/hay barn. The vendors would consider selling the entirety subject to negotiation.
