

Upper Headley 319 Huddersfield Road

Halifax, HX3 0PN

£175,000 Freehold

We are delighted to bring to market this stone built, mid terrace property, ideally situated for access to Calderdale Royal Hospital and Halifax town centre. This deceptively spacious family home is available for immediate occupation and boasts generous accommodation with high ceilings including three bedrooms and two reception rooms. Whilst it would benefit from some internal modernisation, it offers the ideal opportunity to refurbish to suit your own style and taste, as well as the potential to create further living accommodation within the cellar and the loft, subject to obtaining any necessary planning consents. With an attractive, low maintenance garden to the front and an off-road parking space to the rear, this would be ideal for a first time buyer, young family or investment purchaser.

Location

The property is situated in a sought-after and convenient residential location on the A629 Huddersfield Road, within close proximity to the Hebble trail, lovely canal walks, Calderdale Royal Hospital and just a short distance to Halifax Town Centre and railway station. There are plenty of local amenities nearby including highly regarded primary and secondary schools, shops, supermarkets and doctors surgeries, as well as Spring Hall Sports Facility and Manor Heath Park.
