This immaculately presented, terraced house was built in the 1920s and is perfectly located in a popular residential area. It boasts a wealth of contemporary features with period charm and is ideal for a range of buyers.

With over 1500 square feet of accommodation set over two floors, this delightful property consists of two open plan and stylish reception rooms with stairs up to the first floor and a door to the kitchen diner. The third reception room is currently used as a gym. The contemporary and extended, kitchen diner has an impressive range of units with solid wood worktops and an Island with breakfast bar. There is space for a range oven with chimney hood over and spaces for an American style fridge freezer, dishwasher and washing machine. To the first floor there are three spacious bedrooms, two with fitted wardrobes and a contemporary bathroom benefitting from an integrated bath with rainfall shower over, vanity wash basin and low level WC. Externally there is an attached garage and a rear courtyard with access to the garage.

The amazing condition, size, layout and unique feel of this property makes for an exciting opportunity which can only truly be appreciated by a visit.

Conveniently situated half way between the coast and Newcastle city centre and just off the A19, Shiremoor offers a wide range of homes particularly favoured by first time buyers and growing families. Well served by many of the borough's best schools and on the doorstep, the local Waggonways, a network of routes originally used for hauling coal, are perfect for enjoying the surrounding countryside and wildlife on the foot or by cycle.
