This lovely and characterful, semi detached house was built circa 1900 and is perfectly located in the much sought after North Whitley Bay residential area. It boasts a wealth of period features and is ideal for a family.

With over 1600 square feet of accommodation set over two floors, this property consists of a vestibule and a grand entrance hallway with a period stained glass door, stairs up to the first floor and doors to the reception rooms, kitchen diner and downstairs WC. Both reception rooms are light and spacious, the front room with a stunning period fireplace including over mantle and mirror and the rear room with a recess to chimney breast including a multi fuel burner and floor to ceiling windows and door providing views over and access to the rear garden. The kitchen diner easily accommodates a dining table as well as a breakfast bar and benefits from a range of units with wood worktops, integrated appliances including oven, hob, chimney hood, microwave, dishwasher and washing machine, with space for an American style fridge freezer. There are French doors leading to the conservatory. To the first floor landing there is a beautiful period stained glass window and built in storage cupboard. There are four double bedrooms, one with fitted wardrobes and a contemporary family bathroom benefitting from a bath with feature brick surround and rainfall shower over, vanity wash basin with drawers beneath and a low level WC. Externally there is a detached garage, a front garden with gravelled areas and a secluded, south facing rear garden with patios, lawn and mature shrubs.

The generous size, potential and fabulous location of this property makes for an exciting opportunity which can only truly be appreciated by a visit.

Whitley Bay is a beautiful seaside town known for its seamless merging of old and new, vibrant and peaceful.
