Occupying a large corner plot, there is a driveway on the right with room to park two to three vehicles. The garage has a pitched tile roof and up-and-over garage door. An open entrance leads through to the rear garden. The lawn at the front runs round the left-hand side of the home and a central path leads directly to the front door.

Entrance Hallway

Enter the home through the half-glazed uPVC front door with brass handle and letterbox. The L-shaped hallway is carpeted and has a radiator, ceiling light fitting, under-stairs cupboard and doors to the sitting room and a ground floor WC. An open staircase leads up to the first floor. Like most rooms in the house, this hallway has skirting boards and ceiling coving.

It has a six ring gas hob, oven, grill, warming plate and extractor fan above. The worktop has several useful pan drawers below and cabinets above. On the right is a large L-shaped worktop with contemporary 1.5 sink and drainer with chrome mixer tap. On this side of the kitchen are more high and low level cabinets, including one that houses the 3 year old boiler. A window looks out to the front garden and a half-glazed door leads out to the rear garden. The room also has a concrete floor with carpet over, extractor fan, tiled splashbacks and recessed spotlights. A door leads through to a store room with carpet and ceiling light fitting that could be a utility room.

Rear Garden

We love this neat and sunny south-facing garden. The wide dining patio is perfectly positioned beside the kitchen and looking directly at the astroturf garden...so you can keep a close eye on children playing whilst enjoying the views up to Riber Castle directly above the garden fence. There are raised gravel borders and a modern timber fence forms the garden boundary. On the right is a large timber shed with lighting. There is an outside tap and outside light in this easy-maintenance rear garden.
