

Bank Road, Matlock, DE4 3GL

Currently operating as a successful coworking business with large two bedroom apartment above, this versatile four-storey building offers great flexibility and value for money. Having previously been a four storey home and also a single accountancy business, this property can retain the current uses or reconfigured to suit your needs. For example, if 'reclaimed' as a full house, you could convert one or more of the three reception rooms into additional bedrooms. The opportunity to buy the coworking business and/or assets can be discussed.

On the ground floor, the co-working space currently comprises two large open-plan office spaces with an enclosed private meeting space cheekily entitled The Naughty Corner! There is also a ground floor WC and kitchenette. A door leads down to a secure dry basement (previously used to store accountancy documents) and a separate private entrance for the apartment above (officially a separate address - 47 New Street).

On the first floor, the long galleried landing has doors off to the lounge-kitchen-diner, a double bedroom, bathroom and a useful utility cupboard. Stairs lead up to the huge master suite on the top floor, which has a seating area, walk-in wardrobe and en-suite shower room.

Around the corner, Smedley Street is a bustling neighbourhood with micropubs, artisan retailers, a deli and salons creating a vibrant up-and-coming feel. Matlock is one of the most famous towns in the area, nestled on the border of the Derbyshire Dales and the Peak District. It has parks focused around the River Derwent, a steam railway, walks to Lumsdale Waterfall and surrounding countryside and a thriving town centre. Chatsworth House, Peak Rail, the Heights of Abraham (including the iconic cable cars), The High Peak Trail and the similarly bustling market towns of Bakewell and Buxton are close by. Matlock railway station is a 10 minute walk away and you can be in London by train in under 2.5 hours.
