On the right, the large kitchen has a substantial quartz worktop with plenty of space for food preparation and small appliances. Immediately on the right is a fitted Neff fridge-freezer and full-height storage cabinet, then a Neff chest-height double oven. The kitchen also includes a large number of low-level cabinets and pan drawers, including a Neff dishwasher. The peninsula at the end of the worktop has space beneath for 3-4 stools, with a pendant light fitting above. The kitchen also has recessed ceiling spotlights.

The dining area has plenty of room for a 6-8 seater dining table and additional furniture or seating. There are two radiators, ceiling light fitting and bifold doors out to the rear garden. It's the beating heart of the home and a great place to gather with friends and family.
