Description – 15.85 Acres or Thereabouts

Guide Price - £10,000 - £12,000 Per Acre

This comprises a parcel of sound permanent grassland with some open bushes and woodland being undulating in nature. The areas of grass provide good grazing facilities as will be seen from inspection.

There are two access gates into the block of land, one being off a road that runs along the eastern boundary from Baslow Road, and one off Gypsy Lane, along the northern boundary. There is also believed to be a right of way through adjacent land and the approximate route is shown in blue on the attached plan. This is believed to include the right to lay services also but interested parties should see the legal pack prepared by the solicitors for full details.

In addition to any agricultural or equestrian buyers, the land may be of particular interest to those with amenity or conservation interests, due to the location and nature of the land.

The land may also have long term potential and interested parties should make their own enquiries.

Services

The land has a natural water source for livestock drinking but it is believed not to have a mains water connection and interested parties should make their own enquiries.

Overage Clause

Please note the land is sold subject to an overage clause of 30% over a 30 year period in respect of any increase in value due to planning for future development for non-agricultural purposes. Full details will be made available in the legal pack.

Tenure and Possession

The land is held freehold and vacant possession will be given upon completion.

Local Authority

The local authority is Peak District National Park Authority to whom interested parties should make their enquiries of planning or other relevant matters.
