Dilhorne House enjoys a quiet location on the outskirts of the village of Dilhorne, being set back from Caverswall Road. The property comprises a spacious seven bedroomed dwelling which would benefit from modernisation and improvement but has considerable potential to provide an excellent family home or may be suitable for other uses including a residential rest home if desired. The property has the added benefit of good sized private gardens and a range of traditional farm buildings which may have potential for alternative uses, subject to necessary planning consents. Dilhorne House offers a wide variety of original and characterful features such as Minton Tile floors, sold gold inlays in some reception rooms, a large cellar, stunning feature bay windows and chimneys designed like chess pieces - all adding a touch of charm to this eccentric home. The extent of the property that is offered for sale is shown on the attached plan, edged in red and extends to approximately 1.95 acres. Interested parties should note that additional land may be available by separate negotiation, the full extent of the land is shown on the attached plan edged in blue and interested parties may offer to purchase part or all of the additional land if required. The whole of the blue edged land extends to 10.85 acres or thereabouts. Inspection of Dilhorne House is highly recommended to fully appreciate the estate.
