Weirs Farm. Weirs Lane

Butterwick, Boston, PE22 0JP

A charming, characterful period house in excellent order, conveniently located off the A52, with enormous potential to add a business aspect (STP) having land, outbuildings and a modern self-contained annex.

The house dating from 1822, has been tastefully remodelled and recently decorated throughout and ready to move straight in. Currently configured upstairs as a three bedroom, two bathroom property, the master en-suite with walk in wardrobe, with space for a potential 4th bedroom on the large landing. Downstairs is a large open plan reception room / dining area split by the handsome wooden staircase, and a spacious kitchen, with island and Rayburn, leading to a conservatory and utility room with cloakroom.

Outside is where this property presents some very exciting opportunities with the potential to further develop the pretty brick stables, a self-contained annex, a workshop, garage with carport and various sheds plus a partly wooded field (crying out for some shepherd huts or glamping STP).

Including the gardens and large parking area the property totals 1.5 acres (STS), has extensive rural views and is situated just east of Boston with good access to amenities, transport, schools and restaurants. Call Bruce Mather on 01205 365032 to arrange a viewing now.
