Jermyn Way, Halesworth

The popular market town of Halesworth is centred around a pedestrian precinct with a wide variety of shops which cater for most every day needs. Halesworth has a primary school, library, centre for the arts, doctors surgery and is well served with transport communications having a railway station offering a service via Ipswich to London Liverpool Street.

Council Tax Band: D

DESCRIPTION

A modern detached family house situated within half a mile of the town centre. The accommodation with gas central heating, double glazing and solar panels features; Entrance lobby, hall way, ground floor shower room. There is a spacious open plan 25 ft living/dining room which has patio doors opening out on to the south facing back garden, and a large window to the front aspect. There is a feature fireplace fitted with a coal effect gas fire. In addition there are two ceiling fans. These have three speeds, dimmable lights and can be controlled remotely, giving a cooler feel to very hot days.

At the rear is a particularly attractive fitted kitchen handmade from limed oak. The many wall and base cupboards as well as drawers, providing more storage than is usual in some larger kitchens. There is a dual fuel cooker providing 2 electric ovens and a gas hob, space for a fridge and a recessed area in the garage provides additional space for white goods.

The conservatory is directly off the kitchen and opens on to the back patio area. A door from the conservatory opens into the garage which has the potential to be converted into an additional room as the walls are of cavity construction rather than single skin brickwork.

On the first floor the largest double bedroom is to the front aspect with views over the countryside and has a large fitted wardrobe with both shelving and hanging space. The bedroom at the back is also a good size double and there is a further single bedroom to the front aspect which has a large built-in storage cupboard. All the bedrooms have variable speed ceiling fans. The airing cupboard houses the hot water cylinder, and there is also loft access. A bathroom completes the accommodation.

At the front of the property is a brick weave driveway providing ample parking for three cars and turning space.
