DESCRIPTION

a unique opportunity to acquire a BUILDING PLOT and BUILD PACKAGE for a bespoke family home of excellent specification creating a highly desirable 'Passive House home' extending to 212 sqm (2282 sq ft) and situated in a generous plot on a private road in this most sought after of locations. The second of two individually designed homes taking full advantage of the latest technologies of construction to create a highly energy efficient and resilient, future proof home complete with air source heat pump, pv solar panels and Mechanical Ventilation Heat Recovery (MVHR) system resulting in a low energy demand, whilst enjoying high levels of comfort throughout the year without the need for a conventional heating system and minimising the buildings ecological footprint. Traditional materials of brick, flint stone panels and black Hardie horizontal planking feature generating an appealing local aesthetic blending the best of the traditional and modern for this very special home.

This 'off plan' purchase requires the purchase to complete on the sale of the plot at £900,000 subject to contract followed by 4 stage payments of £225,000 (a total of a further £900,000) the final payment to be made on legal completion. This generates the joint benefits of being being involved in the choice of the buildings specification and substantial savings in Stamp Duty Land Tax.
