DESCRIPTION

A beautifully presented Georgian-style detached family home, set within a generous south-facing plot on a sought-after development just a short walk from the town centre. Built by the highly regarded Hopkins Homes, this immaculate property combines classic architectural charm with modern efficiency, featuring gas central heating, double glazing, and a high level of insulation throughout.

Positioned on a private driveway shared with just one neighbouring property (No. 12), the home benefits from a wide private drive and a detached double garage. Adjacent to the garage is a timber-clad, insulated hobby room/store—perfect for use as a workshop, studio, or additional storage.

Inside, the accommodation is equally impressive. The welcoming entrance hall leads to a cloakroom, a spacious study ideal for home working, and a well-proportioned sitting room with an elegant recessed fireplace and wood-burning stove. Double doors open into the stunning open-plan kitchen/dining/living room—a true heart of the home—offering a superb space for entertaining or family life. This light-filled room features two sets of French doors opening onto the patio and landscaped rear garden.

The stylish kitchen is fitted with quality units, a range cooker, and a separate utility room with direct access to the driveway and garage.

Upstairs, there are four generously sized double bedrooms, all with built-in double wardrobes. Both the principal and guest bedrooms benefit from contemporary en-suite shower rooms, while a spacious family bathroom serves the remaining bedrooms.

Externally, the beautifully landscaped south-facing garden provides a private and tranquil setting for outdoor living.
